Excellence In Construction Awards Announced

Brindley is honored to have been recently acknowledged by both Associated Builders and Contractors of Greater Tennessee and Associated Builders and Contractors of Northern Alabama.

Two local projects—Legends Steakhouse in Columbia, Tennessee and Wolf Gap Education Center in

Pulaski Tennessee—won Excellence in Construction Awards for both ABC chapters. Legends Steakhouse also won the 2021 Project of the Year for the Northern Alabama ABC Chapter.

The Excellence in Construction awards program is the construction industry's leading competition, developed to honor innovative and high-quality construction projects. The award honors all team members, including the contractor, owner, architect and engineer. Winning projects are judged on complexity, attractiveness, unique challenges overcome, completion time, workmanship, innovation, safety and project cost.

We had an amazing team on both projects, including architects Emmett Smith for Wolf Gap and George Nuber for Legends Steakhouse. Legends Steakhouse owner, Johnny Fleeman, and Wolf Gap owner, Kelly Hamlin, were a pleasure to work with!

We are humbled by the support our local communities have shown us over the years!

A Joyous Celebration

After a one-year hiatus, the Brindley Construction and Brindley & Associates teams were able to come together to celebrate the holiday season with our annual Christmas party. We had a wonderful turnout with food catered by Legends Express, followed by games (our favorites are bingo, ornament relay and cornhole!) and prizes. It was nice to see the smiles, the laughter and our family of employees enjoying each other's company.

We celebrated several service anniversaries, including 15-year service anniversaries for Robbie Masucci, Melissa Pierce and Michelle Orr. We also recognized Charlie

Helton for his 25-year anniversary. Robbie Masucci was awarded the Brindley Construction Robert Brindley Award of Excellence and Adam Rose was awarded the Brindley & Associates Grady "Buddy" Rose Award of Excellence for the Most Outstanding Employee!

The holidays are a time of giving, and we'd like to start off 2022 by giving thanks to you—our clients, our employees, our subcontractors, our suppliers, our friends, and all those who help us be our best. We're grateful for the lasting relationships we've built and feel fortunate to celebrate more than six decades of success—all because of you!

Ornament relay is a crowd favorite!

15-year service anniversaries for Robbie Masucci, Melissa Pierce and Michelle Orr.

We celebrated Charlie Helton's 25-year service anniversary.

Four More Reasons To Celebrate

If you haven't already noticed, this entire issue of *The Brindley Builder* has been all about celebration. And, despite the fact that we saying goodbye to four of our Brindley team members, we are celebrating the many years we have worked together.

On December 31, Ricky Stubblefield, Terry Mitchell, Ricky White and Babe London officially retired. Brindley Construction and Brindley & Associates team members came together to give our four retirees a proper send-off. The party was filled with friends and family. Each retiree was given a book filled with well wishes in the form of notes and letters from loved ones. The Brindley team also created a video compilation of messages from friends and family near and far. Old pictures of their years at Brindley were displayed around the room, giving everyone good laughs. Ronnie and Jeff presented Babe with a bench that has been placed out front of our building that has a plaque on it that reads "Babe's Bench 2021." He is invited to come any time to sit out front and watch the cars go by while waving at everyone that he knows.

From left to right: Retirees Ricky Stubblefield, Terry Mitchell, Ricky White and Babe London.

Brindley Construction and Brindley & Associates team members gathered together to celebrate the retirement of four special people.

Kathy Pigg, who retired last year, returned to give Ricky Stubblefield and the other retirees some advice on how it's done!

Ricky White and his finance team enjoy some time together.

Terry Mitchell and the property management team are all smiles!

A Christmas Surprise

Brindley Construction's Director of Marketing, Lauren Reed, and her husband Wyatt received quite a gift on Christmas day. Born several weeks early, Hudson Craig Reed arrived on December 25, 2021 at 10:11 am, weighing in at 5 lbs. 13 oz. and measuring 18-1/2 inches long!

Everyone is doing well, and big brother, Tripp, couldn't be more excited to have a little brother.

We wish Lauren, Wyatt, Tripp and Hudson a very happy new year, and look forward to seeing lots of baby pictures!

Projects Under Construction

TriGreen John Deere Dealership

TriGreen's new facility in Columbia, Tennessee has a strong foundation under its belt. Work started in April 2021 and should be completed by Summer 2022. Project Manager Jeff Brindley and Superintendent Matt Johnson have done a wonderful job getting the project off the ground with the assistance of Architect George Nuber.

Sutton Family Pharmacy

On December 8, 2021, the former Pizza Hut on Mill Street was demolished to make way for the new Sutton Family Pharmacy. Thanks to Carman Brown and the CBN Update for capturing a photo of the demolition. Sutton Family Pharmacy offers prescription services, over-the-counter medications, delivery services, and excellent customer service. We can't wait to help them with their new building!

TriStar Bank's Newest Branch

In mid-November, we held a groundbreaking ceremony for TriStar Bank's new Neapolis, Tennessee location in Maury County. This will be TriStar's seventh location and we are delighted to have been selected to help them grow. Stay tuned for updates on this project, which is already underway.
